“ So sorry to hear about George passing and did not hear about it until too late. George and I go back a long way...way back in Taos and when he moved to Bosque Farms..had many happy trips in the Gila country with his mule he loved so much cared them like family.Wanda was also good friend and surely missed by us when she passed I remember she loved birds especially the hummingbirds...George was really sick the last few years and I know he missed going to the Gila a lot...he will be always in my prayers and memory...paul Fiquet
