“ Our thoughts & prayers go out to you. Grief never ends, but it changes. It’s a passage, not a place to stay. Grief is not a sign of weakness, or a lack of faith ...
It is the price of LOVE.

May God’s Love & Glory comfort you through this difficult time. 🙏

“ To the family that we sat with in the ICU,

In such a tragic time, our families united in the ICU lobby. As your family went through God's strongest trials and tribulations, so did my family. We had each other for emotional support back in April, and we have each other now. As you go through grief, we are with you. We will continue to pray for your family. Remind yourself that Gina is beyond joyous. She is in heaven with the Father and by your sides every day. You may not be able to see her, but she will always be there. God Bless.

Sincerely,
The Encinias and Palacios Family
