“ *Where do i start. I met Gloria 25 years ago when Manuel introduced me to his sister. We immediately formed a special bond and in 2003 we became sister-in-laws ❤️ Gloria had the biggest heart, full of love and compassion & boy did she love her family. I am very blessed to be a part of that family. She was my rock when we lost Manuel & I was there for her when she lost Allen. We stayed close even after she moved back to California & shared many good times together, especially our trip to Europe. I love you sis and will forever miss you. Give Manuel my love & fly high with the Angels & your beloved Allen by your side. Rest in Paradise in the arms of our Lord sweet Gloria 💜🙏🕊️*
