“ Hazel was a wonderful person and cousin. We grew up together In San Antonio NM as little girls. I remember Hazel, Betty and Joan climbing in the attic at Joan's house and they fell through the roof. After they were told not to lol, no one was hurt, I can't remember which one it was but one of them fell on the kitchen table in the middle of the dishes,I think that it was Hazel, better landed on the cabinet door. Joan was still in attic. I show up afterwards or I would have been in the middle of it also. Better was a close friend and Joan was our cousin. There are a lot of stories like that. I will miss her greatly.
