“ *Trish and Rosabeth,*

My condolences to your whole family with all my love from your Auntie Sandra.

In My Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also.

“ I am heartbroken to hear of Helen's passing. Her and Julian were always the sweetest to me. Helen always asked how I was doing even if she was not feeling well. I will miss her kind words and how she always had the brightest smile. Many prayers hugs and Love to her family.

“ Helen will always have special place in my heart. She touched the lives of many including mine. Growing up Trisha and I and other friends always seemed to get into trouble here and there. But in the eyes of our parents we were angels! As we grew older and spoke of our shenanigans, Helen would say she knew what we were up too! Could never pass anything by our parents, although I did not see or speak to Helen daily, to this day Trisha and I remain good friends and she's kept me posted about her parents. My family and I were saddened to hear the news of Helen's passing. May Helen Rest In Peace and God comfort those that are left behind. Prayers to Julian, Trisha, Sandra and little Julian and their families.

“ Auntie Helen, you were such a huge part of my growing up years. I remember many times coming home from school and finding you and my mom either going over the Avon brochure for our latest order or figuring out how make the latest crochet project. You were so incredibly helpful to my mom as she became more ill. I'll always love you and treasure all the memories I have. Good bless you!
