“*Henrietta was a good friend and mentor. She taught me much when she was principal at Old Town Elementary and I was a new teacher. Then later when I became a principal myself she was a friend and wonderful role model. She will be missed by many. Condolences to all of the Sanchez family. - Anthony Blea*

“*I was a volunteer at Alamosa Elementary when Henrietta was Principal. After 3 years of volunteering, she offered me a position at the school. Thanks to her I am still with the school system. She was wonderful with the students and staff!! Everyone was treated equal. Every year she would give an appreciation breakfast for all the maintenance workers and volunteers. Of course everyone else in the school was invited as well. All of M&O was parked up and down the street on that special day. She would give them all a gift of thanks for their work!! She was an amazing person and will be truly missed.*

Thank Ms. Sanchez. May you fly high over the clouds with the Angels!! RIP!!

“ I had the pleasure of working with Mrs. Sanchez for 14 years at Alamosa Elementary school. She was a great leader and very supportive of her staff. She had strong convictions when it came to the welfare of the students she oversaw. Mrs. Sanchez believed the school to be a second home for them where they could flourish in a safe environment academically, socially, and emotionally. Mrs. Sanchez truly loved her professional career! Nancy Dillon
