

Herbert W. Natzke

March 21, 1924 - July 8, 2017

Herbert W. Natzke, a retired banker who lived on his farm in Belen, New Mexico, passed away peacefully on Saturday, July 8, 2017, surrounded by his immediate family.

Mr. Natzke was born March 21, 1924 in Pine River, Wisconsin. He studied to become a Lutheran minister at a seminary in Milwaukee but when World War II began he volunteered for the Air Force. He became a combat navigator and flew 19 missions over Germany and Austria. His plane was shot down near the Auschwitz death camp December 17, 1944 and he was a prisoner of war until liberation in May 1945. Upon return to the U.S. he flew for another year in Asia until discharged in February 1947. He left active duty as a First Lieutenant earning 10 decorations and battle stars. He continued to serve in the Air Force Reserve, retiring as a Lieutenant Colonel in 1972.

Mr. Natzke then enrolled in the University of Wisconsin, studying history and political science. He earned his BA in 1950 and his MA in 1951. He graduated as the top-ranking student in his class and was awarded membership in the Phi Beta Kappa scholastic fraternity.

In June 1951, he was recruited into the Central Intelligence Agency where he worked in the Clandestine Operations Directorate under legendary figures like Allen Dulles and Richard Helms. He spent 14 years in Germany, recruiting

agents and running them into Eastern Europe. From 1963-1966, he served in Munich, working with General Gehlen, the founder and chief of the German Intelligence Service. From 1966 to 1969, he was chief of the CIA's Base in West Berlin, one of the top operational jobs in the Agency.

In 1969, Mr. Natzke volunteered for service in Vietnam, although his son had been killed there only 18 months earlier. As Chief of the Saigon area, he was responsible for counterintelligence operations in Saigon. Over the next two years, using sophisticated techniques learned in Germany, he penetrated and arrested several high level North Vietnamese spy rings operating in Saigon and simultaneously rooted out and destroyed the Viet Cong terrorist networks which had carried out the TET Offensive in Saigon a year earlier. He received a high level decoration from then-President Nguyen Van Thieu for these accomplishments.

Upon his return to the U.S., Mr. Natzke served as Chief of Operations for the CIA's Latin American Division for three years and was Chief of Vietnam Operations during the collapse of Vietnam in 1975. Under President Gerald Ford, he served on the Presidential Committee to resettle Vietnamese refugees in the United States. In 1976, he was assigned to Manila, Philippines, where he served as Chief of Station until January 1980 when he retired.

Mr. Natzke then was offered a senior position with a Filipino-Chinese owned banking and trading conglomerate based in Manila. He worked for this company the next 16 years. When the company opened a bank in San Francisco, he moved to San Francisco to supervise the operation. He played a key role in organizing Oceanic Bank and overseeing the construction of its headquarters building in the financial district of San Francisco. He served as Vice Chairman of the bank until his final retirement in June 1996.

Mr. Natzke was first married to Helen Joyce Loud who died of cancer in 1971. From this marriage he had five children: Nicholas Lee Natzke, who was killed while serving in the U.S. Marine Corps in Vietnam, Kay Louise Galeotti of Maryland, Connie Asero of North Carolina, Christopher Karl Natzke of Georgia, and Karen Hagerman of Maryland. His second marriage to Rosella Aragon of Belen, New Mexico, produced two daughters, Aleksandra Natzke McCadden and Tatiana Natzke. Rosella lives on the family farm in Belen and the two daughters reside in California and Nevada. He has seven grandchildren and six great grandchildren.

The Natzke family wishes to thank the VA Home-Based Primary Care Team, Heritage Hospice and caregivers Maria Good and Teresa Towle for their kindness and loving care. Funeral services will be held Saturday, July 22, 2017 at the Cathedral Church of St. John, 318 Silver SW, Albuquerque. Visitation is at 9:00 am and the funeral service is at 10:00 am. Donations in his memory may be made to St. Matthew's Episcopal Church, 400 Huning Ranch West Loop, Los Lunas, NM 87031. His ashes will be interred at Culpeper National Cemetery, Virginia.

“ *Dearest Rosella, and Family,*

My deepest condolences on your loss of Herb. I find it difficult to accept that this gentleman who lived such a remarkable life is gone.

I remember when I was in Belem, he gifted me a copy of his memoirs "Falling Forever". It was educational, humorous, and insightful. Herb lived life to it's fullest. But now, may you and your loved ones, find comfort in the wealth of memories he left behind as a part of him.

My thoughts and prayers are with you. You know where I am.

“ Rosella, Aleka and Tanya -- sending you all the love my heart can muster. Mr. Natzke touched and influenced so many people. I have such fond memories of being with him and all of you during high school. Hanging out in his study, getting into political conversations and hearing about his stories from his life. He was so loving and made sure that we all felt like your house was our house. So incredibly sorry for your loss, he will be sorely missed. Sending all of you my love and prayers.

“ My family lived a few blocks from the Natzkes in SF and I attended school with Aleka who not only became my friend, but more like a sister. She came to my house one evening and left one of her school books that she needed for an upcoming assignment. We called and offered to bring it over, but Mr. Natzke wouldn't hear of it and insisted that he come down himself to pick up the book. I will always remember him as a doting father, a man of integrity, purpose and principle. He will be very much missed. We send you all of our love and will continue to keep your family in our prayers as you grieve the loss of you extremely precious loved one.
Sincerely, Erin Durrah and the Long Family.

“*I had the great opportunity to meet Mr. Natzke when I worked in Belen. My condolences to the family. He was truly a great man but never eluded to his past achievements. What I admired the most was when he brought his daughters into the bank to help them understand their ownership in the bank and that I was the person responsible for this investments success along with the board. He brought them in over a period of at least 5 years. Each year I would hear about how the girls were doing in school and it became one of my best memories of Belen. I admired his discipline to bring them in each year; an amazing man. It was an honor to know him and be inspired by his wisdom and actions with his daughters.*

Hello Ken,

Thank you so much for sharing this memory- I remember visiting you at the bank so well! Dad was very keen on giving us girls an education in financial literacy. It was a hallmark of our relationship- how much time, effort, and care he took to ensure not only our financial security, but instill in us an understanding of the value of careful spending and the need for planning for the future. Your comment is greatly appreciated.

“ Dear Rosella, Aleka and Tanya,

The Armanino family has a vivid and fond memory of Herb which includes all of you.

We fondly recollect the lively and festive Christmas Eves we spent together in San Francisco - Herb telling us about his life adventures (as we sipped cognac in the front room) while seven kids ran gleefully through our house! We recall the many lovely dinner parties hosted by Rosella on Fourteen Avenue - there was never a lull in those conversations! You could always gaze about Herb's house to get a glimpse of what his life was like, as the walls, furniture, pictures and miscellaneous were always exotic treasures from his extensive travels.

Herb's knowledge of history was astonishing! He was able to remember even the smallest details from his life, usually sprinkled with a bit of dry humor! We never tired listening to Herb talk about anything!

We are grateful for Herb's friendship all these years. Our five girls speak about Herb with great respect. He was among the last of the World War 11 veterans, and we feel fortunate that Herb shared his story-telling talents with them.

May Mr. Natzke rest in peace. He was a strong, courageous, intelligent man who carried on his duties in a most admirable way.

*Much love to you all,

Rosella, Aleka and Tanya:

Even though I only got to spend a short time with Mr, Herb, I knew how lucky I was to meet him. After reading his obituary I feel deeply blessed.

We didnt get to spend alot on time in New Mexico, only arriving for the engagement party for Kevin and Aleka. I remember sitting in the dining area as two families for dinner, chatting as we were long lost friends. We felt lucky to be so welcomed. Mr. Herb , I could tell listening to him speak was two fold...that he was a very intelligent gentleman and his family meant the world to him.

I learned alot about the Natzke family from being close to Rosella after the wedding, keeping in close and speaking often. As well as seeing Aleka and Kevin and my biggest joy in life, Nicholas, only but once a year. Military life is rough, but I think I should have had a long talk with Rosella about that issue.

One of my greatest joys was seeing the pictures of Mr. Herb holding Nicholas, it never failed, when Mr. Herb held him, he smiled....I often joked that he was tickling him.

I feel so lucky that my son fell in with the woman of his dreams and had much love and admiration for Mr. Herb. Yes, my son chose well into such a warm and loving family and that too I am blessed for.

Please know your family will be kept in prayer for one of the darkest days and if I could I would fly there and wrap you all in my arms. I wept when I read Mr. Herbs obituary and I cry now but know my thoughts are with each of you and please give my son a hug and kiss from his mom as I know he is grieving right along with you.

Sincerely with a very heavy heart,

Nancy

Rosella, Tanya, Aleka,

I was so saddened to hear of the passing of an incredible man.

I feel so honored to have known him. I can't imagine that he could have had a better wife/mate than Rosella or two more beautiful, smart and thoughtful young women as his daughters Tanya and Aleka. You three are a beautiful reflection of this intelligent, warm, wise great man. How blessed he was to have you three in his life and how blessed you were to have him as husband and father. Wrapping you all in love, beautiful thoughts as you travel through this difficult, heart-breaking transition in your lives. Lots of love!!
