“ Herbert joined the US Navy in 1976, was stationed in Sicily his first tour, met a 14 yr old Sicilian school girl, raped her, got her preganant, promised her family to marry her, took her back to Merrill Michigan and then abandoned a 4 month pregnant non English speaking scared girl with Herbie's rotten mother and sister Sally in the run down home in Merrill, while he moved on to a Florida USN Command. With the help of his American son in law, the father eventually was able to have the girl returned to Sicily. Never once during the time from 1980 til Herbie's death did he or his family ever try to find out about the girl he raped or child he made. I recently contacted sister Sally and she said she wanted nothing to do with this, nor would provide information, again never asking about her possible niece/nephew or the girl. SHAME ON THE SMITH FAMILY. I was right once when I called Herbie a PUNK!

I remember you Bob after all these years and want to thank you for the info you passed on. Yes, I worked with Herb and everything mentioned is true, I lived it and had to clean up his mess. My niece has grown to be a wonderful woman and thankfully, inherited none of the Smith family traits!

“*To the Smith family. I'm so sorry for the loss of your loved one. Revelation : 21: 3&4" With that I heard loud voice from the throne say" Look! The tent of God is with mankind, and they will reside with them, and they will be his people. And God himself will be with them. 4 " And he will wipe out every tear form eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. For more comforting thoughts go to JW. Org. Sincerely yours Charlie.*
