“ Dear Sanchez family,
May the Lord bless you with great memories of Herman. My middle daughter shared a memory with me last night. We went to visit Herman one afternoon and Angelina came along. Herman asked her if she wanted a soda pop, and she was so confused because she did not know what a soda pop was. She cried knowing that he will no longer be next door. Our family sends our love and thanks for sharing your wonderful uncle with us.
God Bless.

“ I was very saddened to hear about Herman's passing. He was a very sweet and intelligent man. Herman's friendship with my mother, Corine, was very special. They grew up together and remained close friends until the end. Herman will be missed. God Bless.

“ My sincere condolences to the Sanchez Family,
Herman was a kind and gentle man that will be missed by all who knew him. He loved sports and was always willing to give his opinion. He loved the Eagles, especially when his nephews were involved and would travel whenever possible. His warm and gracious smile will be missed by all.

“ *I am so sad to hear of his passing. He was a kind and generous man to my family. He and his mother were my Godparents, and neighbors until I left Belen. He took me to football and basketball games when I was in high school, and was always happy to see me, and I was always happy to see him. My condolences to all who knew what a wonderful person he was and will miss him.*

“ *Dear Sanchez Family and Friends,
I wasn't privileged with the remarkable acquaintance of Mr. Sanchez as you were, but it saddens me to read of your loss. Please accept my family's sincerest condolences. It brings great comfort to many to know that the Almighty God and Creator promises us in his word the Bible, that soon death, mourning, outcry, and pain will be no more. May you have peace.*

“ I'm so deeply saddened by this news....
I have fond memories of his early morning grocery trips and his stories of hanging out with my great uncle in their younger days. I'm fortunate to have gotten to visit with him a few months ago. I know he was greatly cared for and will be deeply missed by his nieces and nephew who cared for him regularly for as long as I can remember...

*With deepest regrets and sympathy,
