“ Dear Aunt - I hope you know how much you were loved by so many people. God gave us one of the best Aunts anyone could ever have in this life. I know my Mom is smiling and so happy because you are now with her. I know my brothers John and Steven and my sisters Linda and Adele will miss your love, voice and kindness that only you could express to each of us. I hope that no matter the distance we were from each other, we all loved you so very much Auntie. You always made this world a better place. God will listen to you Auntie, so please ask him to bless the lives of those you left behind. A new journey has begun for you Auntie. As one of God's angels now, you will be given bigger and more beautiful wings because of the special, wonderful and beautiful person you were on this earth. We will miss you and think of you often my dear Auntie, but in the lives you touched, you will live on forever in each of us. Thank you for the special moments and memories we were able to spend with you. Thank you for YOU.

*Those we hold most dear will never truly leave us. Isabel will live on in the kindness that she showed, in the comfort that she shared and in the love that she brought to everyone she touched. There is comfort in remembering all the times she made such a difference in our lives. She was gracious and caring and a great cook.  
Lisa, Tina and all your family, you are in our prayers.
