Thank You Bill for posting such Lovely pictures and thoughts..My heart goes out to the Busse Family. For Jim to loose a son at such a young age is a horrible heartache. No parent should have to endure the pain.

“ My love to you Jacob. My favorite photo is of you with grandpa's pool stick at the Barranca house holding it like you were a pro but you were only five years old. You brought light into everyone's life. My son's adored you. Love aunt Kathy

“ It was a very heavy heart when I learned of Jacobs' passing today. When one grows up in a small community you remember your friends. I remember Jacobs' uncles, aunts, grandparents, his father and his mother who was the first girl I ever kissed. I think he was only a few weeks old when a bunch of us went camping in the Jemez and Jacob was there, starting his love for the outdoors. I'm pretty sure it was Jacob who liked to crawl under the dining table with chairs, get stuck and cry to get out, then when out would crawl again under the same table and repeat the process. I can only imagine how many warm memories his family has. Please know that my thoughts and prayers are with all of you today. Timmy Burciaga

Thanks Timmy, Yes I remember my first kiss. Yes, we did do the camping and the floor scrambling. I remember your family so well. We had some great times in the park across the street from you. I hope you and yours are all doing well. Best wishes to you. Thanks so much for your very kind words. Darra, in Rio Rancho. Jake always cried, always. I can still here him.
