“ Living 1700 miles away from Albuquerque, we feel very close to uncle Jack. Most specially during the holidays. Though we spoke on the phone far and between. For many years we have been receiving a Christmas card from uncle. And we looked forward for it. Indeed, it was always been one of the best gifts we received for Christmas. He tells us how did the year go for him, and that our family being always in his prayers.

*It is with great sadness to have lost a great uncle.*

“ I was saddened by the news of Mr. Moya's passing. Although I did not know him personally, I saw him, and sometimes spoke briefly to him at the 6:00 p.m. daily mass at St. Jude Thaddeus. He always had a smile and exuded such joy. Keeping him and his family in prayer.

“ Dear Moya Family and Friends,  
I wasn't privileged with the remarkable acquaintance of Mr. Moya as you were, but it saddens me to read of your loss. Please accept my family's sincere condolences. Many are comforted in knowing that our Almighty God and Creator assures us in the Bible that soon death and mourning will be no more. May you have peace.

“ I, too, knew Jack from attending Mass at St. Jude Thaddeus. He was always so friendly. Whenever he saw me, he made sure to say hi and shake my hand. If I was Lector, he would tell me to make sure I told an interesting story. He was so giving and caring. I will miss that wonderful smile and heartfelt feeling I always got knowing he was glad to see me. May you rest in peace, Jack! My prayers and thoughts are with you and your family.

“ I only knew Jack from attending the 6pm mass at St. Jude Thaddeus. He was always so kind to me, and I loved that he was always so cheerful and genuinely interested in others at church. I will miss his smile but I will not forget him. My prayers are with Jack and his loved ones at this time. God bless you all.

“ *Our sincerest condolences to Maryann and the rest of Jack's family. The news of Jack's death came as a surprise. He will be missed! I will always remember him as a man with much joy and zest for life. Each time we came to Albuquerque from Dallas we would run into Jack at church. His face would beam as he noticed our presence. We would visit a bit followig the service. Jack lived a full and adventurous life. He was an ordinary man living an extraordinary life. For all the times we got together and got to know Jack I am forever grateful. He will be missed but not forgotten. Our prayers are with the family as you celebrate his earthly life.*
