“ I'm so sorry to hear of Jacques passing. I always called her Ann. She made such a huge difference in my life. She took me into her home when I was only 15 years old, and she was a single mother of three. If she hadn't have taken me in at that time in my life, I don't know where I would be right now. Ann had such a loving and kind heart. She would give anyone the shirt off her back, and I'm proud to say that I love her and I have never forgotten what she has done for me. Ann i will see you in heaven. God bless you Danny, Rachel, and Donny, your mom loved you very much!!!
