“ There was many times I would hear someone chopping wood outside, and when I would look outside in my yard, there was James chopping my wood. I never asked him, he just took it upon himself. He was a great friend with a BIG heart. You will be missed by many, James. My deepest condolences to the family.

James, you were always a good friend to me and I will miss you terribly. You always cooked the best meals for us on the bbq and you always had me laughing because of your great humor. You were such a good father to all your girls and made life fun. You will be sorely missed. Love forever, Jenny Weber
