“ *Oh nina, where do I start? I miss you soo much! Words can't express how much we all love and want you back. We know your up in Heaven, watching down on us. Not a moment has gone by that your not on my mind. These past few days have been the hardest, but I know soon we will meet again, & you will welcome each one of us with open arms. God had plans and that's why he needed his most precious & innocent angel. You made our lives brighter each day. It was such a blessing having you as my Auntie. I couldn't have asked for any better. Until we meet again, you'll always be my guardian Angel, I love you nina.* ”
