“ May God continue too bless this beautiful creation , the blessed ,lucky ,an proud know or knew them as simple but respectfully as the Penas! The beautiful tree Jason an his immediate families branches intersect with aree who's who in Valencia county! Not that any God's children the Penas would ever bragg or drop names to make life easier. Unless it would help ANYONE WHOM THEY CONSIDER FRIENDS!!My personal experiences with the surrounding families closely attached were only revealed in my case if uncle gilly could help me out with legal problems. Of course another awesome benefit of having his nana an Tata concider you friends of the family was those pastries. No one has yet to or Will ever hold a candle to senoras sweets.

I'm proud to say that Christian an of course Jay were two of the best friends a guy could have asked for!! If you were part Christian inner circle , obviously jay had to be an equal! An lucky us to have two best friends especially the two brothers sense young ages had unconditional love instilled in them by Richard&Gloria, nana an Tata Sanchez& of course the Elkins!! I know i am an will continue to be a better man just for sharing time , friendship an life experiences!! One major regret for me is (not knowing about service) not seen Jason an Christian for far too long. I promise with God's guidance an help, brother Christians friendship will physically never be taken for granted like our brothers Alan an Jay felt from me! God willing! "

"grant us the serenity to accept those things we can't, the courage to change those things we can! Please bless us with the knowledge to know an understand the difference""!!..... PS JP TY FOR THE PINGS AN THE SOURCE AN KNOWLEDGE WE KNOW AS GOLF!! The quality of life an friends because Christian an Jayson gift of golf its a gift that continues to give!! My condolences an my most sincere dedication an prayers to comfort the Penas, Sanchez, & Elkins! I I love you Jay an i miss you an everything about you! God knew Richard an your time apart was already too much! May God continue to answer the prayers he wants to see fruition! His design is the foundation of faith. Just having family an friends like we do our glasses our devinly full. We our blessed with so much more an will continue to understand our cup it overflows. We must mindfully

open our eyes!

He would always make us laugh on the Golf course and we had fun when practicing golf for the BHS golf team. Christian, Jason, Keith Ortega, Dominic Romero, Gerrard Pena, and Frank Stasi made up one of the best golf teams in the state of NM. This team won 2 State Championships and also placed 3rd. “ *Every so often in life, we're struck with a "Holy Shit " moment. Saturday morning, upon hearing of Jason's passing, I had, one of these moments. I didn't see Jason very often, but when I did, our visits were (always) enjoyable. Like the Eagles hit song, Jason was, that "Peaceful, Easy Feeling." I will share on this memorial page, what I shared on his good friend Bobby Baker's Facebook page. "Jason was full of energy and enthusiasm. He was that "once in a lifetime friend." A lot of us mourning his passing, realize, in our mourning, he was, (that once in a lifetime friend!) My condolences to his family. Through this difficult time and times ahead, may their be the peace in realizing, Jason passed as he lived, (PEACEFULLY!) We'll miss you buddy!*

“ Lots of little nuggets from the 80's and into the present. Mostly around golf, TDS, BHS, some UNM, but a lot of fun we had in the lower Rio Grande. He was always a reminder/mirror of his awesome mom and dad. His dad Richard took me and my family under his own wing in the 90's. That's the theme summed up by so many posting here. Jason's personality was a caring and humorous one. When we saw each other we always remembered the Ruidoso trip in 89'. Almost the same type of story Richard and Milton shared from their youth, that was passed on from Richard to me. May Jason's family feel so much of the love reciprocated back from Jason's love which he had for so many. May Jesus comfort and bring peace into each of your lives as we remember mi tocayo!

“ *Raymond Michael, Sandee and Melissa, Josh and Katrina, Christian and Jason: You all grew up together and combined, like stars on a clear night, lit up our entire family. Jason brought love and laughter into all of our lives, his smile could brighten up an entire room and melt many a heart, even Papa's! He will be missed, more than many will ever know. He made friends so easily and was truly loved and liked by people from many different walks of life, gender and ethnicity. Reading and looking at the many pictures posted evidence the deep friendships and love he engendered. A quote I like: The Measure of a Man is he who has lived well, laughed often and loved much; Who has gained the respect of intelligent people and the love of children; Who has filled his niche and accomplished his task; Who leave the world better than he found it; Who looked for the best in others, and gave the best he had. That Man is Jason, my nephew and my very good and loving friend. Raymond*
