“ Oh, I am so very sorry to hear of her passing. She was one of my Facebook friends for a long time. I knew g
Her from the doll world.. I enjoyed her comments on Facebook so much and the times when we shared messages and conversations. This is so very sad. She will be so missed, by so very many of us. I knew she was ill - but I didn't realize we'd be losing her....

“ I am so sorry to hear of Jayne's passing. Like many others who left messages here, I knew her from the doll world and online doll groups. I loved seeing her doll photos and was really hoping to meet her in person at some point since I live in Albuquerque! She was a lovely person and I know she will be greatly missed. My sincere condolences to her family.
