“ Lucy & Babette...

I am so sorry to discover this happened 3 years after the fact. This is Vicki writing this. Please accept my deepest heart felt condolences on such a profound loss.

My last memory of seeing you guys was at a celebration for Babette's birthday. It was a swim party held at hotel on Rio Grande. That's how long its been. I just want you to know that I loved your warmth & how welcome you, Jeff & Babette always made me feel. You're both in my prayers & I sincerely hope you're doing okay. I'm going to sign this from all of us, like the old days, when it all began...

Rest in peace Jeff. Your smile & laughter will always be missed. Sending much love, prayers & comforting, hugs to you & Babette both even if I'm 3 yrs late. It DOESN'T change the way I feel about discovering such a significant loss.

I am truly sorry.

Respectfully,❤️
