“ I love you Joe, Give Our Beloved Daughter Jessica a big hug and kiss for me...don't worry about the Kids I will take care of them, we will miss you every day of the rest of our lives another piece of our family chain is broken but I know in the end we will link again...my Kids are broken you are all they know, our Beautiful grand babies are confused Lilah sits n crys n draws pictures of you n her playing in the park asking you not to go to heaven Noah is to small to undestand but he knows his grandpa...Johnny n Jessica are devastated but if one thing you've always taught us was to be strong n to just figure it out, when we met at the age of 17 I didn't know that we would end up having 3 beautiful kids n two Adorable grand kids...and all these yrs later you still never left our side or let us down and you always put your family above anyone for that I thank you and I hope you know that I appreciate you more than I could ever put in to words and if one thing you always knew is how much the kids and I loved you...Rest in Paradise Jessie Joe you will forever be in my heart... till I see you again🥹🥹
