“ I meant Jessie a few years back in Church in Los Lunas and then seen her a lot at the Los Lunas Senior Center. I loved her so much, such a loving person always smiling and joking around. She'd keep her cigarettes in her sock at the senior center and I'd always joke with her asking how's her foot doing (her cigarettes being there), she'd say it's just fine. Her and my brother would always smoke outside at the center and joke around with one another. She will be greatly missed by all of my family and me.

“ We met Jessie back in 2008. I lovingly called her my Mamacita. In my mind she was my adopted mother. I had lost my mother 2 years prior. Jessie was such a kind, gentle and joyful spirit. Always had a smile. She is resting with Jesus now and we will see her when we arrive in heaven. It will be a moment, a twinkling of an eye. Love you "Mamacita"

“ *God's gain and our loss. Auntie Jessie was a true blessing to everyone that knew her. She was honest, loving and said it like it was, she pulled no punches. Our auntie is going to be deeply missed by all. Thank you auntie for all the memories, your guidance and the countless laughs that we shared. Most of all, thank you for being an amazing aunt. You will always be in our heart and thoughts. May you rest in peace. We love you.*

“ *Jesse will be greatly missed by not only me but all her family and friends. I am so blessed to have been a part of her life. I am sad, because I will miss her, but I also know that Jesse always told me that she couldn't wait to see Janet and all her family that are already waiting for her. She had so much faith. She taught me a lot in the years that I knew her. I want to thank the Lord for blessing me with such a great friend.*
