“ Thank you Jewel for all the phone calls to help me when I thought life was rough. You always had such helpful and positive advice. I miss you telling me how much you love my kids and how stinking cute they are. Heaven gained a wonderful person. Heavenly father I pray you bring her family and friends peace.

“ My name is Gail Rodriguez, I had the opportunity to met Jewel at Cassandra and JR's wedding. She was so happy that day for her brother, I remember her smile. I know Cassandra, Ian, Ripley & Quincy loved her and she loved them. I am glad Cassandra had Jewel in her life even though it was too short of a time. May she rest in peace and may the many wonderful memories you all have comfort you.

“ Jewel was such an amazing loving woman. My bff who I'll continue to cherish. We shared everything, late night talks, early morning texts...we had to check on each other every day. We had some awesome laughs that I'll never forget. What a special loving woman who will be in my heart forever. God took her home too early but she passed peacefully which I am grateful for.
