“ Travis, Nic, and I would always go with Papa (Casey) when he would head to Uncle Joe and Aunt Georgia’s house. We would always go into the sunroom to play with the Tonka trucks. Family get togethers will not be the same without him and his harmonica.
Love and miss you Uncle Joe

“ I have so many memories of Uncle Joe. He is the most kind and considerate person. I have enjoyed each moment I have spent with him.. He had the best stories and I will miss seeing what kind of Santa he found for me, most of all I will miss his comforting manner. There will be an empty place at our New Years Eve celebration. I send my deepest condolences to all who loved him and my prayers to Aunt Georgia, Michael, Matt, and his grandsons. Every time I hear a harmonica I will be thinking of him.
