“ *I was very sad to hear of your departure. Fly free with the angels my friend. You were a kind soul that always was there for my family whenever we needed anything fixed. You were hard working fair and always available. You are not replaceable and I will miss most the conversations and stories. You truly loved your family and I will always remember your kindness and infectious smile. May god bless you and your family.*

“ *Just a Memory Away*
I'm no longer by your side, but here's no need to weep; I've left
sweet recollections I'm hoping you will keep.
Eternal joy and memories stay in our hearts forever. Strengthening
our special bond that parting cannot sever.
Now it's time to journey on, so let your faith be strong, For I am in a
better place... I'm home where I belong.
And if times of loneliness bring sorrow and dismay, Don't despair,
for I am there...
Just a Memory Away

Sending all my love to Natalia and family, all my cousins, near and
far!
