“ *Joe Trujillo was a real cool guy. Enjoyed coordinating with him in dealing with the youth of the community. While he was Assistant Principal of Belen High School he would recommend students to our work experience program. He was also very knowledgeable in the "world of sports". May his soul rest in peace. Theresa and family, It was with great sadness to learn of Joe's passing. We worked together at Belen high school for many years and he was always a good friend. I enjoyed the times he was our principal because he always had the kids first in mind. His loyalty to BHS was clear as a coach, educator, and mentor. It was also a pleasure when you opened Fat Sats to see you both. Joe was a good guy who will be missed. Blessings and peace to all of you. Pete and Patsy Herrera

“ My deepest sympathy to the Trujillo family. Joe was an amazing man. He was the one that put his faith in me and gave me a shot at teaching under him at BHS when he was the principal. That was 21 years ago, and the encouragement and trust he showed me, helped shape me into the person I am today. Hugs to all of you!

“ *Our hearts are broken 💔 Fred will miss his buddy, they were always joking around and one thing they did a lot was ask each other 'what is the name of that song' 'who is singing that song' Recently Fred messaged Joe about a particular song and asked him who sang it, and told him Joe don't look it up!! 😊 We have many many cherished and fun memories of times spent together. When our kids, Carlo & Rebecca got married we became good friends and most of all we became family.*
