“ Dear Martha,
We are deeply sadden with the passing of John. I met the you and John 20 years ago. You both were so community orientated and started and accomplished so many projects to assist the La Joya area. I appreciated working and partnering with you both and loved your "can do" positive attitude. Our thoughts and prayers are with you and your family. Love Lori and Terry Tadano

“ *Martha,
Our thoughts and prayers are with you and your family as we hear of John's passing. We purchased hay from John (and Henry Romero) for many years and he was always a source of inspiration and good will. We loved his stories, his positive attitude, and the way he always rolled up his sleeves to help us load his amazing hay. Our horses appreciated him too! He was a pillar in your community and I know everyone will miss him terribly. We were so blessed to get to know John and to enjoy him during each hay season. May you find comfort in knowing that he was loved here on earth and will be graced by our Lord in Heaven.
With deepest sympathy,
The Eldred Family (Mike, Tammy, Kaitlyn, Tyler, and Zach from the east mountains)*
