“ Johnny bought Josiah his first bike. He was so excited to give it to him. The kid's dad and I would tell him it's ok, Johnny. It has training wheels. Johnny said no, I'm going to teach him. This is one memory I will never forget. Thank you for being the best grandpa to my kids 🥹 we love and miss you more than words can explain. These memories I will cherish these forever.

“ When I was growing up, my dad worked with Mr. Gonzales. I remember him being a very nice man. Eternal rest grant unto him O Lord. And let perpetual light shine upon him.

“ There are no words to express what you meant to me, and for being the dad, you didn't have to be. You were a beautiful person with a great heart, and I miss you so much. You were the one who had my back when my mom or sisters would pick on me. We may not have been related by blood, but you loved me as your own. I'll treasure the memories because I was so lucky to have you as my dad!
