“ Herman my Love, my laptop was being fixed - so I am 3 days late writing on your book.

*I love you Herman. It's now 5 years that we celebrate your new life in Heaven. I will always miss you terribly but I know you are in the best of Hands. Of course at times the tears run down my cheeks but our Jesus is always there to ensure me that you are with Him. One day we will all be together my Baby and until then Jesus will keep walking with us. I love you my Herman!*

When God calls me home - I know He will make all things that we think impossible, possible. His hope, His confidence is that of mine. And I must never hurt Him and I will strive to honor our King because in the end I want Him to say "Well done my child". I love you, Herman!.

*He the King of my heart, He who made the ocean from the river, He who the oceans roar his greatness, He who the mountains bow in reverence to and He who left the grave behind is the King of my heart and is always in control. Healing may come through tears but I know that it is Jesus our King who holds each of these tears. And one day he will toss them all in the ocean and all the tears will be washed away. “ You are embedded in my heart my Herman. I know you are in God's Kingdom and for that I am joyful. Every day comes and goes but I am thankful for each beautiful day God gives me. For he has me here for a reason and I only hope not to disappoint Him.

*My Love, you continue to be my Love, my best friend, my everything and the day will come when our God will call me Home and I pray night and day that God allows you to meet me that wonderful day.*

*I often day dream of that glorious day when we stand again together and praise our Heavenly Father. And the beauty of it is that it will be forever. All sorrow will be washed away. I know what he has planned for us is so amazing and beautiful that nothing could ever compare to what the King of Majesty has created for us. He is our Light. He is our Way and with Him nothing is impossible. There is no greater One than our King of Kings!*

“ My Herman, another milestone (3.5 years now). You are the love of my life. You always were and always will be.

*No matter what we face our Lord takes all that is wrong and makes it right. He and only He can fulfill the emptiness in my heart. He is the voice I hear. Greater is the one who lives inside of us than he who lives in the world. He sets his captives free and fights each of our battles. With our heads bowed and our knees bent we will await his glorious coming. And it is then my Herman that we will once again be united. Until then you are mine, I am yours and we are God's. He is the rock on which I will stand.*

*I love you my Herman!*

*God will keep you in my heart forever and when it is his will, I will be with you. I must be patient no matter the time.*

*To speak life is to speak God. Our lives together with our Lord has not yet begun.*

*I love you, my Herman!!!*

“ *My Herman, as you know today is my birthday, big SIX - 0 Herman. You will celebrate my birthday with me, my Herman as you do Christmas, and each day of our lives. I don't think God would get upset if I say, the best present I could have is to be with you. And it will be that way but we both must be patient. God is with us and we will once again be together soon. And I say soon, though we don't know when God will call me.*

*I love you, Baby!*

*I thank you for all you've done for me. For the fantastic kids you fathered...*

“ Dad, it's been almost a year that you went home to heaven. I miss you so much daddy. Today I was getting some stuff ready and I said I'll just take it like that my dad can do it. We were use to you doing everything. I know your still watching over us dad. I love you so much.

“ *Le acompaño en su sentimiento, y comprendo por lo que está pasando, por muy desagradable que sea la muerte es algo que sucede día a día, pero hay una promesa según Revelación 21: 3,4, Juan 5: 28,29, Hechos 24: 15. En dichos textos está la promesa de la resurrección Estos textos me ayudaron a mí en momentos tan difíciles como por este pensamiento en mente le invito a que visite el siguiente enlace, <http://www.JW.org/es/publicaciones> los que usted está pasando. Para aprender de estas promesas solo hay que seguir el consejo de Juan 17:3. Con /libros/tratado-muertos-volver-a-vivir/ Ahí encontrara un artículo que habla más al respecto.*

“ Herman you will be missed dearly. You knew how to cheer EVERYONE up, it was like he could see inside our hearts, whether it was one of your special hugs or just playing a joke on someone. I will always remember you for all you did for everyone. Herman would say “(ANYTHING YOU NEED I’LL TAKE CARE OF IT)” Love you Herman!

“ Dad,  
*I am so blessed to have you as my father. Words can't express the way I feel about you. You never thought of yourself, you always thought of others. I want to thank you for all that you have done for your family. You always had something crazy to say or do just to make us laugh. One funny prank was you put your false teeth in a cup and asked Jenee and Tonya if they wanted a drink of your coke. I will always think of all the funny things you did. You will always be in my heart. I am so proud to have you as my dad. I LOVE YOU.*

“ I have the best memories of My Uncle Herman. He is definatly one of a kind. Who takes 4 10year old kids to learn how to drive, on the ditch bank. In a little VW...He did and that will never be a memorie I will never forget. We till used to talk about it. Or our little excursions to the "Special", Sonya will remember that. No matter what he did or was planning to do. His family was the most important! I am so fortunate that I call this man MY Uncle. Nothing but Peace from now on! Love you Uncle Herman!

“ Herman always came in to make sure we had our daily laugh. Always ready to eat, even when he was on vacation had to come in and make us all breakfast. When he wanted to hide he would come in with us here in the water department with Stella, Megan and myself and sit on the low rider chair.  
I will miss the fishing trips especially when I didn't like fishing. Just to hang out and get away was his reason. You were a great friend to me and my girls. You will be greatly missed. We will always love you!
