“ It was so wonderful how everyone came together to say our goodbye at the service. So nice to see everyone and be a part of pulling together in love and support. The gathering of so many people. All the food and work of everyone who made this all possible was very heart warming. I am especially thankful for everything my sister Laurie did and my brother Robert who supplied all that was needed to make this all happen, and for his generosity and supportive and kind words at the service. It was great seeing everyone! I have only kind and nice things to say to everyone and pray for each and everyone one of us. May we all be blessed and healed and appreciated for our part in sending Jose off in such a loving way! 1 John 3:18 Let us love,not in word or speech, but in truth and action.

“ Jose, thank you all those years ago for your patience in teaching me how to drive, spending hours in your old red chevy pickup, going round and round in a dirt field, my sister next to you and me behind the wheel! Now that was courage! I can still hear the songs on the radio, all which are truly oldies today! God bless your soul. I will not say goodbye. Shirley

“ Jose, you are always remembered for your peaceful spirit and how deeply you felt for others, esp for those who lost there way,for those who had illness and pain. I always remember you and Mary always finding a way to share what you had and finding a way to do it even when it wasn't there. Love, Shirley and Andrea.
