“ We had the privilege of being next door neighbors to Joe and his wonderful family in Bosque Farms when they first moved to Valencia County in 1971. We shared so many good times together and grew up knowing that the Peraltas were more than neighbors - they were life-long friends. Joe always welcomed my parents, my siblings and myself into his home as if we were family. And we truly felt like family as we were continually treated to the bounty of the Peralta kitchen in addition to countless hours of play time with the Peralta kids (Janice, Judy, James and John; Angelo came much later but I got to be his middle school language arts teacher) in their home and ours. We pray God's richest blessings of comfort on the extended Peralta family and trust that you will find comfort in the Lord's love, hope in the Lord's promise of eternal life and joy in knowing that Joe is rejoicing in the Lord's presence. What an inspiration, what a wonderful person Joe was. I was fortunate to have worked for him while I was going to college, actually, I worked "with" him. He always treated me with respect and his wonderful sense of humor has always stayed with me to this day. I always remember reporting to work in the morning and being treated with such great hospitality from Anita and then off to work really enjoying my day with Joe.

Anita, my family's prayers are with you and yours, God Bless...Floyd Carabajal
