This guy was a very bad person in and out. Not only did he try to kill police officers, the very people who try to protect us, he also tried to kill my baby sister in 2017. He raped and strangled her and left her for dead in the desert. She dragged herself home and was too afraid to report him. Later she found out he had done this to another street girl she knew. His lure was that he had some drugs he would share then a girl would go with him. Laurie, you are the coward because you will not admit how rotten your son was. How dangerous he was. He tried to kill several young officers! He beat a peace officer almost to death a few years earlier! Only God can judge? Sorry but he ain't in heaven with God now nor will ever be. And, these things reported were only what he was caught doing. He was well known for hurting people even when he was sober. You need to accept that you gave birth to a demon period. He easily tried to kill 5-6 cops and 2 young girls. My sister died of cancer but she was alive to see him killed and we had a party celebrating the fact that God sent him to hell.

Juanita don't you have anything better to do then make up lies My son wasn't even in this state in 2017. My son never beat a cop almost to death you lieing idiot .If he had beaten a cop he would have been in prison still for hurting a cop . You have noproof of all these alligations .Get a life Pray instead of lieing .Maybe God will not send you to hell .Your life must be awfully lonely .Maybe cuz your ugly on thr outside just like your ugly on the inside .Stop watching TV. It's not real. No you are not a judge no am I if I was a judge you wouldn't stand a chance in my court room but one day you will be face to face with the ultimate Judge and you will have to explain why you made up stupid lies about my son .Your a coward you don't put your real of full name . Maybe your jealous cuz he didn't want you . He had the love of his life always next to him . Maybe your fantasy is that you wish some one would pay attention to you but who would want a lieing ugly person like you . God bless you anyways
