“ I remember Joseph at a young age because we went to school together and our mothers were both bus drivers. He was always popular, especially in high school since he was in football.. but he was never "stuck up" like most of the guys. I dated his older brother for about four years and when I say him he was always smiling and kind. I remember visiting him in Las Vegas Nevada with Gordon his brother and he bought us dinner. Joseph was a hard working Electrician. He was loved by all those that knew him. Rest in PEACE Joe....
