“ One Christmas I was at Herman & Betty’s home—I had taken them some flowers to thank them for their continued support of our store the Veguita Trading Post and Herman said to me “well there’s always business to be done but in the end, the only thing we care about is our friendships”. So true Mr Tabet! You have been a good friend in every way & we will never forget you! May you Rest In Peace & May your family find consolation knowing that you fought the good fight with love

“ To all of Herman's family, I was so sorry and saddened hear about his passing! Please accept my heartfelt condolences. Herman was like a brother to me and I dearly loved him, way back to grade school and over the many years! I have wonderful memories of all the good times spent with him and Betty, especially the fun trips we took together. We were at their home a long time ago when A. J. Foyt buzzed Herman from his airplane. He was such a good, caring, and generous man and had so many friends. His memory will live on in my heart.

“ *My childhood was filled with time spent with Herman, Betty and Jim. Herman and Betty were good friends with my mom and dad. After our house burned, Herman was there to help rebuild and make it the same, only better. As the years went on, I lost touch but was fortunate to run into him last January and get a hug. My deepest condolences to his family. I know he will be missed in our little town of Belen*

“ *Fidel & Family,*

My heart as your own is heavy over the loss of Herman. Where does he wander now? In keeping with his religious belief, he rests in the arms of the Lord. It is said that life disappears in the very moment of its brief appearance and so it seemed with Herman. But without fail, in that moment resided the grace and character of a wonderful man! He never failed in that charge! May he rest in peace.

I submit sincere condolences on behalf of my wife Sue, our family and myself. May time bring solace and peace to your hearts.

Back in the 50s. I lived on Renkin St. just west of the rail road tracks . I was spreading manure on my front lawn Herman drove by and yelled "you sure know how to spread it around". Never forgot that and how he helped my Dad.
