“ Ninfa and family, I am so sorry for your loss. Ninfa, you and Jude and your family was like family to me. You and Jude and your family meant a lot to my family. I have always thought of Jude and the camping adventures that we had with our kids, Lisa and Chris. Jude with his jeep, me on my motorcycle, and Chris and Lisa riding together on the 4-wheeler. Jude introduced me to the market of buying and selling chili. Jude was a one of a kind person. He was a professional at horseshoes and taught his sons well. He was easy to be around, rather working or just hanging out. My sons loved Jude and worked for him selling fireworks which was so much fun for them. So many adventures, so many stories, so many memories we made. He had many friends and made friends easily. Jude was a dear friend, actually like a brother to me and Lisa like a daughter.. I trusted him in every way. I will never forget Jude, nor his laugh, nor his smile being so patient, so loving. He loved his family dearly. I still hear him call out, "Odele vato! que pasa?" Time with Jude was quality time for me. I will miss Jude, and I thank God for the memories. Jude will always have a piece of my heart. A day will come when we will be united in the presence of God. Amen. Ninfa, you were the love of his life and your children his jewels. Thank you for sharing him with me and my family.

“ I am sorry to hear about your loss. Jude is one of the funniest men I ever met and that I was ever around. I still to this day tell funny stories that happened when I was a kid camping w/ Jude and Lisa. Some of the best camping memories, fishing trips, and riding 4-wheelers. He was one who made us work hard at the firework stand in Grants/Milan growing up and how to just get things done. Great man w/ a great laugh and a great family! Prayers and Condolences from my family to yours.

“ *Ma, Girls, Jude Michael, & grandkids,*

You all lost a man who worshipped his family. I remember seeing his face light up when you all came around. I will never ever forget how both ma & pa took anyone in their wing & treated like their own. There was never a dull moment when he was around. Jude may be gone but the memories we have of him will be instilled in our hearts forever. Jude touched each of us in one way or another. From his sales at the firework stand, to fishing, to just small talk wherever we saw each other. I know when that when he walked thru those gates in Heaven Vincent was waiting for him with a fishing rod..What a joyful reunion that must've been. Ma, Marcia, Veda, Jude Michael, & Lisa I love you all & know pa is now an angel who flies keeping a watchful eye on you all. The love he had for his girls was like no other...I love you all Berna.
