“ Les, I'm so sorry for your loss. Just know Judy is in a better place with no pain and enjoying the family members that went before her. I remember when you kid were here the last time and my Coke puzzle was on the coffee table in the front room and one piece no one could find, she came over took one look picked up the piece and put it i. Amazing. Love her.

My deepest sympathy to you and family.

Love you.
