“ She was my second mom. Growing up, if I wasn't at my house I was at Sarah's. Great memories. Also, wonderful memories of visiting June during the Balloon Fiesta and watching the balloons. I'm glad I have those memories. All my love to Sarah and Rick and their families.

“ June meant so much to me. We talked on the phone for hours and texted each other. She was excited about her beading projects she was doing. And making a blanket for her new great grand daughter. I wish they had phone lines to heaven. I love you and you will be for ever in my heart.
