“ Dear Veronica and Family....
It is with a heavy heart that I am expressing my condolences on the passing of your Son, Brother and Grandson!
The last time I spoke to Justin was when he was working at Lowe's in Belen. I was always so happy to see him, especially when he remembered I was his pre-school teacher. Justin was one of those children you never forgot. He was so cute and always had that mischievous smile!
Being a parent is one the hardest jobs and Veronica you were a single working parent. I would often admire your strength...you always made sure Justin had good attendance. He was always well behaved, not to mention how well groomed you always had him!. I loved having him in my class!!
My heart goes out to you and your Family, no words can express my sorrow ...rest in Peace Justin...

Veronica and family. We are so sorry for the loss of Justin. Ever since he was a little boy Justin had a special place in my heart. I remember when he and Michael were wrestling in school, every time he was wrestling he would look up at Alfred and I, whip around those long blondish bangs of his and give us that goofy smile of his. We (I) have such fond memories of Justin. He loved his family, he was so proud of his kids and to be a Dad. When the boys would spend the night at our house, in the morning, I would ask each one, " How do you want your eggs?" And Justin would always say. "JUICY Linda, I want them "JUICY." We would run into Justin sometimes and I would asking .him, "What am I going to do with you",and always with that genuine, sincere, gorgeous, goofy smile he always had, he would always say "I don't know Linda!" Don't ever doubt his love for his family, his loyalty to them and his friends. We have lost two of my adopted sons. Jesus and now Justin. Who knows what they are up to in heaven. I will definitely miss him I loved that kid so much Veronica. God bless you and we will keep you and your family in our thoughts and prayers. Linda, Alfred and Michael Montoya
