“ Today we attended a beautiful memorial service for Kaerl Sloan. We became friends when she knocked on our rectory door at our church in Artesia and she announced that her family would be attending our church because she heard "you need the business"! She was a great, faithful church member who taught Sunday School and layread. We had children together. She taught our sons at Hermosa Elementary. I will miss her. Go in peace,, Kaerl.

“ 1/11/2014, Saturday, My condolences to the family of Kaerl Hefner Sloan. I taught with her at Parkview Elementary, Socorro, NM when she was teaching 3rd. grade. She was a topnotch professional, very well-trained and an asset to the school community. She was a teacher/head teacher at San Antonio Elementary for several years. She taught my nephew there. She gave a lot to her community and family over the years. I am sorry at the family's loss. Millie Sigman

“ Kaerl and I went to the same church in Artesia. She was a fun person to be around and always made me laugh. We will all miss her but know that she is in a better place. My love, thoughts and prayers go out to her family.

“ *Kaerl taught both my sons at Artesia's Hermosa elementary school. She was kind and gentle with an amazing affinity for her students, and, away from the classroom, a sharp, slightly skewered sense of humor which never failed to make me laugh. I loved that she loved books. It has been a long time since I've seen or talked to her, but it was comforting to know she was out there. It's comforting to know her memory remains with the hundreds of people she touched through the years.*

“ *I taught at Hermosa Elem. in Artesia with Kaerl. She was a good teacher and great friend. She taught my oldest son, Levi. Her patience and encouragement helped him academically and emotionally. We had many transformative & entertaining conversations at work and in her kitchen. Her family lived on the same block as mine during the 80's. I will miss her and was greatly helped by her wit and intelligence. May you rest in peace and create great art across the sky, my dear, kind, creative friend.*
