“ *My condolences to your family for your mother's passing. I came to know her on treasure hunts. She was a very nice lady. May she rest in peace.. May God and your loving memories of her comfort you. God bless you.*

“ *You just never know. I am so sorry to all of Laura's family. I hadn't seen Laur in quite some time, but have the most beautiful and fun memories of your beautiful Laura. We had the same passion for antiques, junk, you name it. We both had booth's in Los Lunas. Always with a smile, thank you, she was very kind. I will miss her and pray for her and for all of you. May you all be comforted by our Divine Mercy Jesus Christ.*
