JD

My son war a good person, he was sensitive about other people hurting he prayed by himself, he loved his children the most and they ment the world to him ,if he could help you he would, if he seen someone in need of clothing or shoes he would give ,without you owing anything, he knew many people, and keeps there secrets, my son had a loving heart, he will be missed but not forgotten, may he R.I.P for he is with my lord and saviour Jesus Christ.
