

Le Roy Henderson

December 6, 2010

~Le Roy Henderson, age 85, a resident of Los Lunas, NM passed away on Wednesday, December 1, 2010, while doing something he truly enjoyed - dancing. Le Roy was born in the coal mining town of Madrid, NM to John and Sybil (Uesse) Henderson. He graduated from Menaul High School and briefly attended the Socorro School of Mines (NM Tech) before joining the Navy. After leaving the Navy he returned to Madrid and for the next three years hauled coal to Los Alamos, NM. He then attended Conn Electrical School in Chicago and for the next 42 years was employed by Sandia National Labs as an electrician retiring in 1993. While his father was alive they enjoyed hunting and fishing together. He enjoyed traveling, repairing anything broken and, of course, dancing. He was also an avid bowler and in recent years received medals while bowling in the Senior Olympics. His good heart and infectious laugh will be greatly missed. Le Roy is survived by his brother, William Henderson of Golden, NM, April Kerbs, and generations of nieces and nephews. At Le Roy's request cremation has taken place and there will be no services.
