“ Leonardita, I will always remember you as my "neighbor" as we grew up together many years ago and shared many memories growing up. You were the kindest, most loving person I remember and I'm sure the angels in heaven are cheering you into the arms of our Dear Lord. My deepest condolences to your partner, Porfirio ,and all of your children and grandchildren who will miss you every single day.

Love, Always, Sally (Jaramillo) Garcia

Leonardita, rest in heavenly peace, in the arms of our Lord. Sent you a poem, hope it brings your loved ones some peace. Remember how you and partner enjoyed my poetry when you came to Las Vegas, and we got together for lunch. You will be missed, and I know that partner will be very lonely without you. May your kids always mention you to their children, and them to theirs, so that your heart will live on forever. I know that you are at peace now. No more pain nor suffering. Always your cousin Kathy Duran Casillas

“Hi Nana, it's me, Jacquelyn. This is what I said when I called you every morning. Every day when I say my prayers this is what I will say so you know I'm talking to you. I will ask how you are and share all of the things I did during the day; that way we can keep up just like we always have. I am thankful that you are my Nana and I will always remember your massages, coloring together, playing with Shopkins, watching Cake Wars and making sopapillas together. We always had the best of times. I love you and will miss you every day, but I know that we will be together again. Love, Jacquelyn

“ Dear Lopez Family,
I just learned of the passing of Berna,
Beloved Wife, Mother, Grandmother and Sister. My deepest condolences to all the family.
I will never forget, 3 or so years ago she called me to tell me that she had something for me, it was during Christmas. I went to her house and she had a beautiful homemade Christmas wreath made out of yarn for me. I treasure it and display it every Christmas!!
During our visit all she spoke about was her children and grandchildren. And of course she showed me her new cabinets that she was so happy with. What a lovely a Lady!!
May God be with you all during this difficult time...
