“ *Lamento mucho la pérdida de su ser amado. Estoy segura que está pasando por un tiempo muy difícil ya que la muerte de un ser querido deja un gran vacío en el corazón. Algo que me ayudó mucho a mi es el consuelo que da la palabra de Dios, La Biblia. Si tiene una Biblia, le invito a que busque los textos de Juan 5:28, 29, Revelación 21; 3,4 y Hechos 24: 15. Ahí vera que se nos da la bella esperanza de la resurrección. Esto nos deja saber que en un futuro, ¡vamos a poder ver a nuestros seres queridos nuevamente, incluyendo a su ser amado! ¿Se puede imaginar el gozo que tendremos?*

*Quisiera compartir más con usted esta magnífica esperanza. Con dicho pensamiento en mente, le invito a visitar el siguiente enlace: <http://www.JW.org/es/publicaciones/libros/tratado-muertos-volver-a-vir/> Ahí encontrara un artículo que habla más al respecto.*

*I am sorry for your loss and may God Bless your entire family! You've all been very nice to me and I remember going and watching football with him in his room and eating all the good food you always had prepared. I really didn't see him too often, except when he would go check his mail. The last memory I have is one day he went to Post Office and was struggling a bit, I picked him up in my arms, took him to his PO box and then carried him out and helped him get in his car. He's in a better place and he's not suffering no more.*

*Sincerely,*

“ My heart is saddened and broken to hear of the passing of my good friend Lawrence. Growing up with him in Los Chavez was a blast. I remember the nights that we would go out and steal apples and watermelons from the nearby farmers. His favorite time was the 4th of July. I remember the time his mom won \$50.00 worth of fireworks. Back in 1969 that was a lot of fireworks! We were up all night lighting them and jumping through the bonfire. I have so many good memories of Lawrence: playing basketball and football. He was a Green Bay Packer fan.....but really nobody knows why? He came to see me before I moved to Minnesota, that was the kind of friend he was. I was hoping to catch up with him now that I'm back home. He will always be in my heart forever. Good bye to me my trusted friend. We've known each other since we were 9 or 10. Together we climbed fields and trees, learned of love and our abc's, skinned our hearts and skinned our knees. When pretty girls are everywhere, I'll think of you and you'll be there. God bless you my friend. Tu compadre, Alex Ortega

“ *In memory of my primo hermano Lawrence Baca, I always treasure memories of growing up and all the fun we had. I also enjoyed the times we would run into each other and were able to catch up on what was going on in our lives(mostly at Wal Mart).I know you must have carried a heavy cross, but now you can rest in Peace with Uncle Georgie, grandma, grandpa and the rest of our family . May God Bless your soul, I will miss you..*
