“ *When I first started as an agent with his son Fabian, he was so kind
to show me the details of his agency. I was able to spend time with
him on a trip to Las Vegas and can say we had fun. He will be
missed and I was blessed to get to have a little time with him over
the past 17 years.*

“ Our daughter played with Leroy's and Vivian's children. We found Leroy to be such a loving father, full of such kindness and love. These qualities are now in abundance in their children. We are full of sadness for them and Vivian. Our hearts go out to you.

“ A great friend that we met through our insurance dealings. He was always helpful and willing to help.

Over time he shared some of his hope and cared for many. He is an example of what a good person can be. May his family find his blessing through the legacy he left...

“ So very sad to hear of Leroy’s passing. We would run into him at the casino or Mac’s. When doing business with Leroy and Vivian, their professional and enthusiastic environment was always a joy. May Leroy rest in Peace and may his loved ones find comfort during this very difficult time. God bless
