“ *So very sorry to hear of Lillian's passing. She was such a sweet lady. We used to walk together every morning, except Sunday's, when she lived on Sego in the Pacitos Subdivision. When my husband passed away in 2005 our walks helped me so much with my grieving. I hated to loose her as a neighbor when she moved. One of the best ladies I have known. I just passed by her house last week, going to the post office and I thought of her, wondering how she was doing. I did not know she had been ill. May God be with her family during this time of loss. “ I’m saddened by my Aunt Lillians passing. I have many pleasant memories of her jokes, great food, and company. It was always a pleasure to visit as she such was such a great hostess. Unfortunately we only rent on earth we don’t own anything but our memories. Thanks for those Lillian ❤️

“ *She walked in love and light . . .*

That was your Mother, Romero Family, you shared her with the world, and we each received the pleasure of her love, her laughter, her smile, her genuine caring for everyone around her!!! She made everyone feel so important when she spoke to them and greeted them, I always felt that when I ran into her, she was a special lady!!

She loved each of you dearly and was so very proud of her family! Today we honor your Mother, for her love and her caring, we honor each of you for taking care of her and sharing her with all of us!

May the many wonderful memories you have of your mother help sustain each of you through this difficult time, and know we are all thinking of you!

Many Blessings to each of you!

“ To the Romero family, I send my sincere condolences, your mom was the heart and soul of Tome. She brought joy to all around her. She was a grandma to many; she shared her wonderful food with all, and her joy of life as she loved to dance. Her Pastelitos and Bread could be smelled for miles. She enjoyed sharing with the community. We are fortunate to have been around for many family gatherings. She would give a big hug and kiss to greet you.

We will miss you, Lillian!
