“ Lorena & Tabet Family,

*Be assured the loss of your mother is a heart-felt one for those of us who knew her. But, now the harp of her loving Joe have drawn her to Heaven where they are both at rest. She was a wonderful lady in love with family, friends. The cord that God let out, now embraces her. May she remain as your silent and constant companion and may your hearts continue to enjoy the miracle of her life until you too shall rest once more in her arms.*

*Please accept condolences on behalf of Sue and myself. May time bring solace to your hearts.*

“ *My earliest memory of my sweet Lily was in the early 70's and I was a little girl. Joe was very sick and she was so sad. She asked me to pray for Joe. I remember telling her every time I saw her in church that I was praying very hard for Joe. Well Joe recovered from his illness and she told me it must have been my prayers. I was so proud that I had helped Joe through his illness. For years she would remind me of this and I really thought my prayers had saved him. She was so sweet and always lovely! You will be missed\_God Bless you!!*

“ You were a pioneer and an inspiration. Being able to be part of her 5 generations of Tabets was remarkable and to watch you live to be 104 was incredible. You were pure class, pure beauty, pure love and true devotion to your love of family, Christ and life. You were smart, witty and an amazing bowler; You were a loving mother, grandmother (many greats) and friend to all. God got a new angel yesterday, and I know personally I feel a deep sense of peace knowing you're watching over us. This is a day we knew would be coming, and you can always say you're prepared but when it actually happens you realize you're not. Thanks for inspiring us to be better people and better men.

*Love Gerard and Scott*
