“ Our deepest condolences to the extended family of Lorie Perea. He was a great friend of my Grandfather Joe I. Garcia and of the Garcia family. My Grandfather Joe passed away a number of years ago. But I'll always remember Lories' admiration for him. And of course it went both ways. They had worked together in the Grocery Business in the early years of the 1960's and 70's and I believe a few years beyond. I had not been in contact with Lorie for a sometime now. But it was always great to see him. He always treated me like family. Lorie was a very dignified and unique individual that will definitely be missed. Thank you Lorie for being so good to my Grandpa Joe and the Garcia family. God Bless...
