“ My heart is broken. My deepest and very heartfelt condolences to Loretta's family. I bowled with Loretta for many years and knew her to be a very funny, loving, compassionate lady. A lady she was. I never heard her say anything negative about anybody. She had a great heart. I loved being around her, she was a delightful lady and a great friend. Adios my friend you just bowled your best 300. Love you always.

“ Dear Flavio, Michael, Casilda and Family,
It is with a heavy heart that I am expressing my sorrow and condolences on the passing of your beloved wife and mother. Loretta was a beautiful lady inside and out. Loretta along with her husband Flavio were instrumental in bringing the band “Los Talentos” together back in the late 60’s, early 70’s. All the songs I had to learn in Spanish, Loretta would write them down for me to learn. Because of her my love of old traditional songs are still in my heart. Besides doing that, she also sewed our band uniforms. Loretta was a very talented lady who shared her talents with others. How blessed were we!
Everyday that passes brings clarity on why my mother Concha (her cousin) loved her so! I thank God I was able to share that with her a few years back.
Rest with the others who have gone before you. Your time here on Earth was meaningful and now you are basking in the Glory of God!
Love,
Clarita C. Serafin
