“ Mama, thank you so much for giving us such a wonderful and charmed life! I have been blessed to be your daughter, and my biggest goal in life was to always make you proud. There is a hole in my heart today, but, as you always said, "time will heal". I will go on with the belief that you and papa are reunited and what a beautiful thing that is to imagine. This makes me smile, today. You were my mentor, my spiritual and moral compass, and now, you are my angel. I love you too much, dear mama.  
Your grateful and devoted daughter,  
Carol
