Anyone who knew Lucy knew the deep love she had for her siblings, children and her grandchildren. her love was also shared with her partner, Froilan (Frank) Toledo who helped care for her always and especially in her last days.

Mom's last wish was to be reunited with all her children and to remain deep in her faith as she always encouraged all her siblings and children to remember that God will always provide and take care of us. She will be deeply missed and remembered forever by her family and her siblings, Rita, Henry, Milton and Eloy.
