“ Uncle Lyle,
We didn't talk frequently but the memories with you throughout life will remain cherished. Your heart for others , your sense of humor and stubborn nature are already missed and you are forever loved. Give oma all our love. Until the day we meet again

“ Lyle was and always will be remembered as a great friend helpful and kind. His sence of humor had no limits. One time the two of us were attacked by 4 gang members we barely got out of there. After he laughed and said as big as they were they didnt hit that hard and laughed again. His love of working on cars had no limits making him great to rope into helping with anything. All the time we hit the beach or just hung out in the neighborhood you could count on him throwing something funny out there.
